

UGM BioMIC 2019

The best paper awards will be announced at the closing ceremony

12–13 September 2019

Eastparc Hotel, Yogyakarta, Indonesia

Held as part of the Universitas Gadjah Mada Annual Scientific Conferences (UASC 2019) series, the 2nd International Conference on Bioinformatics, Biotechnology, and Biomedical Engineering (BioMIC 2019) provides an ideal academic platform for researchers to present the latest research findings and describe emerging technologies and directions in bioinformatics, biotechnology, and biomedical engineering.

The accepted and presented papers in the related symposia will be submitted to journals/proceedings that are indexed by Scopus, Clarivate Analytics, DOAJ, EBSCO, or DIKTI: IEEE Conference Proceeding, Indonesian Journal of Biotechnology, Indonesian Journal of Pharmacy, Traditional Medicine Journal, Indonesian Journal of Cancer Chemoprevention, Research Journal of Biotechnology (special edition) or Malaysian Journal of Medicine and Health Sciences (special edition).

BioMIC 2019 will conduct a satellite lecture in conjunction with the East West Asia Biomaterials Congress (EWAB).
